FROM THE PRESIDENT

End of an administration, start of a new one. Part of the garden club cycle. Join us April 24 for our Spring Installation luncheon. Donna Berger, our District X Director is serving as Installation Officer. More in this newsletter.

It's been my pleasure to serve these last two years as your President. With much thanks and affection,
Linda Trotter, President

APRIL INSTALLATION LUNCHEON—April 24

1 pm at the Olive Garden in Tradition. It's ala-carte ordering, so there is no preset menu or charge to attend. Everyone will be responsible for their own meal.

RSVP to Linda Giddens NOW that you'll attend. Call Linda at 772.237.3011. She needs to give Olive Garden a head count so they can plan accordingly.

BLUE STAR MARKER PROJECT

What a tremendously rewarding project this memorial has been for Rio Lindo Garden Club! More than 200 people attended the dedication; the weather was excellent, the bagpiper played 'Amazing Grace', the speeches were short, and the congratulations to Rio Lindo were coming from all directions.

EARTH DAY—APRIL 22, 2017

The PSL Botanical Gardens is hosting a children event for Earth Day—a Ladybug Launch! 11 a.m. to 12 noon. Free to families and always a big hit with the children. If you'd like to help with the Launch, please attend!

RENEW YOUR MEMBERSHIP

Support your Club! Do you enjoy our workshops and programs? We can't do it without membership. We have a deadline to meet from the State Office each year, and the more members we register, the better your Club's standing within our District.

If you don't renew your membership NOW but wait until September, your membership won't be working for us at the State and District level. And you won't be listed in our Club Directory (OH NO!)

\$30.00 each year. If you've recently joined, ask Pat Duzan at the next meeting for clarification of your membership standing. Checks payable to "Rio Lindo Garden Club of PSL".

AT THE BOTANICAL GARDENS

Saturday morning, April 15 is the monthly Wacky Weeders event at the Gardens, when a corps of volunteers muster in the Gardens and tackle maintenance. There are all age groups in attendance and many hands makes for light work. Any Rio Lindo club members who would like to work in our Rose Garden during the Wacky Weeders morning will find additional help from the young and able for help with the heavy lifting.

Wacky Weeders is 8 am to 11 am. Bring gloves, clippers, personal tools. Lunch will be served after!
