## Bus Trip!

14501 S. Orange Blossom Trail  
Orlando, FL 32837

Get on the bus! Gatorland, alligator capital of the world, founded in 1949 on 110 acres, evolved into the present-day preserve and theme park. The park features alligators, crocodiles, wild cats, birds, snake and critters and tortoises. The trip includes a train ride around the property and access to 3 shows.

- Bring friends—they don't have to be Garden Club members! Tickets will be sold first come, first served, and we expect to run a full bus to Orlando!
- Leaving from the PSL Botanical Garden, 2410 SE Westmoreland Blvd
- Make sure you're on it!

"Gator Jumparoo Show, Alligators: Legends of the Swamp and Up Close Encounters" not to be missed.

A great gift shop! Also, there are cafés on property or you can bring your lunch.
