NEWSLETTER

FROM THE PRESIDENT

I pray you are all well and practicing distancing. Although it is becoming tedious the safety and health of our members is paramount.

As you know, we have cancelled March and April meetings and the Executive Committee will communicate via email. District X will join an internet meeting on April 23. Your delegates are Elaine Minga, President and Heather Furnari, 1st Vice President as we are allowed two according to the size of our club. Joleen King will also be a delegate as past Director of District X and Darlene Enzian as present webmaster of District X.

The National, Regional and State are all cancelled and will reimburse in full but please be patient with this process. Spring District meeting is cancelled and because they hold the checks until the reimburse/cancellation date they have shredded all checks so just void your check in your account.

Use this opportunity to transplant, weed, fertilize and repot. My garden looks really spiffy and I'm enjoying all my blooming orchids.

We'll keep you posted about the May meeting but it doesn't look promising at this point. Blessings to you all.

Elaine Minga, President
