FROM THE PRESIDENT

Happy New Year! I'm glad to confirm our meeting Monday, January 25 at 12:45pm. Due to the increase in COVID cases we will require masks and will distance 6 feet as well.

I also wish to encourage all of you to attend the PSLBG Arbor Day Celebration and Tree Memorial planting this Friday, January 15 at 11 am. Ceremony will take place outside with ample space to distance. Rio Lindo will be honoring the lives of Alice Jorda and Miles Reese (Angela). We will also be providing refreshments so come and support the Garden and our garden club.

I'm looking forward to seeing all of you at these events.

Elaine Minga, President

JANUARY MEMBERSHIP MEETING Jan 25

Break out your tie dyed dashikis'—we're tripping back to the 60's with macrame plant hangers as our workshop project. Groovy! Flowers in your hair optional. Who of us didn't have a spider plant or pothos in a macrame hanger back-in-the-day? Bring scissors, tape and/or ruler.

Our Program in January will be Caladiums—a club favorite. Don't miss this one!

Heads up that our March meeting will be a member plant exchange. Start propagating or dividing now for this fun event.

ROSES AT THE GARDENS

Next work session is January 20. Please join the stalwart Rose Crew as we continue our stewardship of the Gardens' Rose display.

There are jobs of all skill levels needed: pruning, vine twining, mulching, weeding—maybe just supervising! A couple hours, starting at 8:30 am. Bring gloves, pruners, sunscreen, water and wear a hat. Masks optional as we're outdoor. Please help! More from Anne at each meeting.

BOTANICA PLANT SALE FEB 13 & 14

Save the dates for our annual Botanica event. Botanica is our best opportunity for sharing with the PSL public the fun and enjoyment of Garden Club membership. Volunteer scheduling will be addressed at the January meeting.
