### FROM THE PRESIDENT

Well, March has blown in like a lion and hopefully will blow away the pandemic with it. It's been a year since we all began sheltering and with the vaccine, seems like we're giving birth to spring and a new year.

Our March meeting will welcome our first guest speaker of the year, Sean Herber from "Got Sprouts" and will speak on 'Sprouting for the Health of it'.

We'll also be taking reservations for our April Installation luncheon, celebrating Rio Lindo's 60th year!

Hope to see you all there!

Elaine Minga, President
