Happy Fall to All! We had fun with our "Pressing Business" craft decorating our yearbooks with pressed flowers & foliage from our own yards. With Nan Billings' inspiration, our yearbooks were even more glorious than ever. I have kept all of my yearbooks from the past four years as a member of Rio Lindo. You can see a learning curve! My earliest ones were lessons in what doesn't press or dry well. Passion flowers just didn't work at all! We have a grand speaker scheduled for our October meeting, CJ McCartney whom we met as our Master Gardener docent for the Norton Museum Sculpture Garden, Palm Beach on our *Out N About* August 27, 2021. We love CJ! You will too.

Roses to you all, Karen York, President
