**Hello Fellow Gardeners!** Such a beautiful time of year for us gardeners. We love plants, the sunshine on our backs, birdsong, and most of all digging in the dirt! We had a great exchange of ideas at yesterday's board meeting. All officers and chairmen contributed. For the next board meeting, we are inviting the membership to attend & participate on Monday, May 9 at the Port St. Lucie Botanic Garden pavilion from 10:30-11:30am. Who knows, you might be part of the board in the near future. Our April meeting on Monday, April 25th will be mostly social with a luncheon at Applebee's planned by our Second VP, Illona Christie. See the front page agenda. Hope to see you there!

**Yours, Karen York**
