Important! Mike Becker, our Rose Garden Mentor, needs our help. Mike is always very generous in letting us keep roses we've cut and offers cuttings of his other plants. He has helped us not only with the new design of the garden but also works with Anne occasionally fertilizing and spraying the roses as well as hard pruning the roses at the PSLBG. Mike has requested our help for **hard pruning** on the following two dates: **Thursday February 24th** from 9-11am in Mike’s own garden. And... **Wednesday February 23rd** at the Rose Garden at PSL Botanical Garden. **Call Anne. 443-758-4447**

A Warm Welcome to new members, **Sonja Kaminski** **Diane McEntee** to the club! 

Arbor Day Celebration at the PSL Botanical Garden was lovely. Rio Lindo provided refreshments from a beautiful table with our banner. **Anne Nourse, Darlene Enzian, Karen York, & Bob Arnold** were on hand to set up and serve. (See Website for several photos)

Hello Fellow Flower Lovers!

Winter in South Florida is why we live here, sunny & 70. I lived in Memphis for many years before I retired to PSL five years ago. I was always sad to see the frost kill my flowers. Here in PSL everything just keeps on growing. Scheffleras were houseplants. Here they grow 30+ feet tall. My orchids are tied to palm trees, happily blooming at this moment.

By the way, I hope you got to attend Botanica at PSLBG this past weekend. Rio Lindo had a tent (thanks, Cathy) proudly displaying our banner plus an eye catching mixed flower arrangement (thanks, Bonnie) displayed in a hand painted decorative container (thanks, Sandy) that we raffled off to a very happy winner Sunday afternoon. Linda Giddens & Chrystine Doyle were chair ladies who pulled it off without a hitch. Want to get to know some of our members better? Volunteer! Get involved! Rio Lindo needs you & your talents.

Don't miss our speaker, Joyce Rosselli, for our next meeting, Monday, February 28. She's presenting "Art in the Garden" for us. We are so pleased to have Joyce as a member of Rio Lindo. She brings so much talent, enthusiasm & artistry to everything she does.

Yours with flowers, Karen York
