Happy Fall, Ya'll!

I'm excited to see our program speaker for our next meeting, October 24 is our own Kate Rotindo, St. Lucie County Extension Agent. She's going to tell us about good bugs & bad bugs in our gardens I'm excited to see what our hostesses come up with for refreshments. We love home-made food & are so happy to be able to feast on good things since covid is in our rear view mirror now, hopefully. Please remember to check your yearbook or our rio-lindo-gardenclub.org website to see when it's your turn to bring something. If you have questions, check with our second VP, Illona Christie, who is in charge of refreshments. Have you signed up for the Bat Stroll, November 7 or the BOK Tower bus trip, December 6? I have. We are famous for our bus trips. You don't have to be a member of Rio Lindo to go, but we hope you will decide to join us. All in all, fall is going great! .

Your President, *Karen York*
