### Hi Fellow Gardeners!

We are so fortunate to have beautiful spring & sometimes summer weather nowadays while the remainder of the US struggles with cold & snow.

Seven Rio Lindo Garden Club members worked in the Port St. Lucie Botanic Garden Rose Garden for two plus hours Tuesday morning to give our beautiful rose bushes their seasonal pruning. If you haven't performed your two hours in the Rose Garden, Saturday, February 25 at 9:00 am will be a golden opportunity to meet our Rosarian expert & mentor Mike Becker as he works with us to accomplish our award winning Rose Garden's perfection. If you can't bend down, we can find a task that you can do without bending. Camaraderie & fun is what you will gain by just showing up. Want to get involved in your club & get to know some of our talented members? Join the Rose Garden TLC Team. Two hours per year? No problem. It's fun to play outside with old & new Garden Club friends.

Don't miss our next monthly meeting on Monday, February 27 to hear an engaging program given by our own talented Joyce Rosselli entitled, "The Artist's Eye for Garden Color."

Your President, *Karen York*
