Rio Lindo Garden Club

The Rio Lindo Garden Club of Port St. Lucie and River Park had an installation luncheon, May 13, at Mr. Laff's Riverfront Restaurant. There were 45 members and guests present.

The outgoing president, Elizabeth Ellen, gave her annual report. Betty Cline of Stuart, the installing officer, installed the new officer giving them each a violet plan of the color of their office. President is Reta Pollnow; first vice president, Mary Jane Collins; second vice president, Katherine Halhober; treasurer, Thelma Quick; recording secretary, Ruth Schermer; corresponding secretary, Helen Specht.

The new president, Mrs. Pollnow, then introduced the new committee chairmen and outlined plans for the coming year including two card parties and the annual Christmas House. Mrs. Pollnow, on behalf of the club, honored Betty Cline with a life

membership in National Council of State Garden Clubs. This was given because of Mrs. Cline's devotion to the club as a past president, the many offices she has held and the contributions she has made to our club over many years.
