Port St. Lucie, Florida 33452

Dear Mrs. Pollnow and Club Members,

It was certainly my pleasure to have the opportunity to speak to your membership on Monday, January 27, 1986.

I can see there is a large interest in our Parks and especially the "Public's Park", Rivergate Park on Midport Road. I, as the City's Parks Superintendent and personally, would like to take this moment to again thank you for your genuine support in beautification projects. The plants you donated are doing fine and are greatly appreciated.

The spirit of Community involvement in this area has and will continue to be a great part of working together on a common goal, that of providing leisure and recreational sites for all to enjoy.

Please feel free to contact me at anytime if you would like me, Chuck Proulx, Recreation Director or Steve Fousek, Urban Forester to speak to your membership.

Sincerely,

Gerry Melville,  
Parks Superintendent

## Donation for Rivergate

The "public's park", Rivergate Park on Midport Road, has again been the recipient of local support for beautification.

The Port St. Lucie Parks Department has received a donation of 15 Confederate Jasmine plants to be planted along the park's entrance fence and a Laurel Oak tree to be planted in the park.

The donation was received from the Rio Lindo Garden Club of Port St. Lucie and River Park as an Arbor Day project.

## *Rio Lindo Garden Club gives plants to park*

The Rio Lindo Garden Club Of Port St. Lucie and River Park recently donated 15 Confederate Jasmine plants and one Laurel Oak Tree to the Port St. Lucie Parks Department.

The plants were recently planted along the entrance fence to Rivergate Park on Midport Road. The tree will be planted elsewhere in the park.

"Rivergate Park has become known as the 'public's park' and has proven to be a favorite, not just with fishermen and boaters, but with those just wishing to enjoy a stroll through this beautiful park," said Gerry Melville, parks superintendent.

Melville said he was most appreciative of the club's donation, which was an Arbor Day project for the group.
