

Regular Monthly Meeting/Election of New Officers

March 22, 2021

Port St. Lucie Botanical Gardens

Our President, Elaine Minga, opened the Business Meeting with the Pledge of Allegiance. During the meeting we elected our new slate of officers for 2021-2023:

President – Karen York
1st Vice President – Elaine Minga
2nd Vice President – Connie Burke
Recording Secretary – Sandy Mayce
Treasurer – Bonnie Boaz
Corresponding Secretary – Christine Parks

Our speaker was Sean Herber from 'gotsprouts?'. We all learned a lot about the value of eating sprouts and ways to grow them. We were even given a fresh sprout salad to take home. In addition, sprout seeds, etc., were available to buy. The talk was really interesting!

Sean showed us several types of seeds and sprouts that can be added to our daily diets.

We learned how to grow and harvest sweet wheat grass sprouts.

After our speaker, we had a plant exchange. The plants were labelled with their botanical, as well as common names.

Above: Illona Christie ran our raffle, as usual.
Thanks, Illona.

Below: Karen York contributed
snacks and drinks for our hospitality.
Thanks, Karen.
