## The Heart Of The Tree

By Henry Cuyler Bunner 1855-1896

What does he plant who plants a tree?  
He plants a friend of sun and sky;  
He plants the flag of breezes free;  
The shaft of beauty, towering high.  
He plants a home to heaven anigh  
For song and mother-croon of bird  
In hushed and happy twilight heard -  
The treble of heaven's harmony -  
These things he plants who plants a tree.

What does he plant who plants a tree?  
He plants cool shade and tender rain,  
And seed and bud of days to be,  
And years that fade and flush again;  
He plants the glory of the plain;  
He plants the forest's heritage;  
The harvest of a coming age;  
The joy that unborn eyes shall see -  
These things he plants who plants a tree.

What does he plant who plants a tree?  
He plants, in sap and leaf and wood,  
In love of home and loyalty  
And far-cast thought of civic good -  
His blessing on the neighborhood  
Who in the hollow of His hand  
Holds all the growth of all our land -  
A nation's growth from sea to sea  
Stirs in his heart who plants a tree.
